

2025 Hardeeville SC Half Marathon

For the first time since hosting the USATF National Championship Half Marathon Championships in 2021, Hardeeville, South Carolina will once again be the site of what has been described by many as the “fastest” certified half marathon course east of the Mississippi River.

- **Date:** Sunday, November 9, 2025
- **Time:** 7:15AM
- **Location:** Hardeeville School Complex
150 Hurricane Alley
Hardeeville, SC 29936

While qualifying for the 2028 Olympic Trials via the half marathon (1:03 men and 1:12 women) won't begin until January 1, 2027, this race could be a great tune up race for those planning a late 2025 or early 2026 marathon.

The course has been certified by both USATF and World Athletics as a three loop plus a mile add on and will also be USATF sanctioned. Designed to be fast, the course is very flat with a low point of three meters above sea level and high point of nine meters. The start and finish line are within 43 meters of each other. Course record for men is 1:00:55, Connor Mantz and women is 1:07:55, Keira D'Amato.

Prize pay-out will be to the top ten for each gender of \$10,000 per gender in amounts of \$3.5k, \$1.75k, \$1.25k, \$900, \$600, \$500, \$450, \$400, \$350 and \$300.

The field will be limited to 100 male and 100 female runners with qualifying times of 1:25 for men and 1.35 for women. The race committee has the discretion to finalize all race applicants. We already have received commitments from a number of elite athletes.

Further information and updates will be provided via our website:

www.hardeevillehalfmarathon.com

The race is sponsored by a group of passionate individuals who truly love the sport and look to give back so there is NO ENTRY FEE.
